TERMS GOVERNING SALE

This is a public auction sale, and is conducted by RARE COIN COMPANY OF AMERICA, with trade name RARCOA.

The highest bidder shall be the buyer, and if any dispute arises between two or more bidders, the lot in question shall be put up again.

MAIL BIDS WILL BE ACCEPTED FROM THOSE WHO CANNOT ATTEND THE SALE IN PERSON.

When bidding by mail, we suggest that you put on your bid sheet, the absolute maximum price you are willing to pay for each lot. This DOES NOT MEAN that you will have to pay that amount in order to obtain the lot. It merely enables our agent who bids in your stead, to act for you more intelligently. You will pay only the proper advance over the next highest bidder, and this amount is often less than the top amount on your bid sheet.

With the preceding information, you can understand why we cannot accept "BUY BIDS" or "UNLIMITED" bids. If two collectors sent in "BUY" bids on the same lot, what could the auctioneer do?

NO CHARGE OR COMMISSION will be made for executing your bids, but postage or shipping, plus insurance, will be added to invoice.

Lots delivered in the State of Illinois, will be subject to the Illinois 5% Sales Tax.

AUCTION SALES ARE STRICTLY FOR CASH, AND MUST BE PAID FOR PROMPTLY IN U.S. FUNDS. Persons unknown to us when bidding by mail, must include a deposit of 25% of their bids. This amount will be returned, if bids are unsuccessful.

Any lots purchased by floor buyers may not be returned. No lots purchased by mail bidders may be returned without written permission. THIS IS NOT AN APPROVAL SALE, and you are expected to keep, and pay for, any lots that you purchase.

ERRORS WILL BE CORRECTED, but all claims for adjustment must be made in writing within 5 days after receipt of goods. Title remains with RARCOA, until all goods are paid for in full.

ALL PHOTOGRAPHS IN THIS CATALOG ARE OF THE ACTUAL ITEMS SOLD

Lots may be inspected in our offices beginning Monday, October 12, 1970 until the time of the sale on Saturday, October 17, 1970.

Lots purchased on the floor may be picked up after the First Session if so desired.

A PRICE LIST of the sale, with the amount of each lot realized, will be available for \$1.00.

BUFFALO NICKELS

The following is a beautiful set of BUFFALO NICKELS. Every coin in the set is BRILLIANT UNCIRCULATED with the sole exception of the 1918-D over 7. This is undoubtedly one of the finest sets we have ever handled. It was put together by the owner with loving care over a period of many years. It must be realized that all dates and mints of the Buffalo Nickels are not obtainable in sharp full strikes.
